

## Restaurant suggestions 2022

Keep in mind that tastes differ and that the culinary landscape and the situation in restaurants are constantly changing. On the website [www.thefork.com](http://www.thefork.com) you can always find reviews of the most recent visitors and more inspiration.

Because Amsterdam restaurants are usually small and crowded we advise you to always make a reservation in advance!

### Meat/Steaks

Cannibale Royale: [cannibaleroyale.nl](http://cannibaleroyale.nl) +31 (0) 20 2337160
